

TWIN SHORES PROPERTY OWNERS ASSOCIATION ARCHITECTURAL CONTROL FORM

The Architectural Control Committee (ACC) is made up of members of the Association that are appointed by the Board of Directors. The ACC must approve all new construction, remodeling, new roof, fences, boat houses, etc. Any property owners planning to build a home must submit two (2) sets of house plans with lot plans and a specification identifying the proposed construction materials. After the plans are approved and before building can begin, the property owner is responsible for a \$1,000.00 form survey deposit; and must sign and return the Construction Site Requirements and Precinct 1 Culvert Policy. Before a slab can be poured, the Association retains one approved copy for its files, and the second approved copy is returned to the property owner. Allow 30 days fro the plan approval process.
