## ARCHITECTURAL CONTROL COMMITTEE

If you have any questions concerning upgrades to your newly purchased property, please contact the Architectural Control Committee (ACC). The ACC is more than happy to work with property owners on planned improvements. **All building alterations must be approved by the ACC.** More information is available in the Deed Restrictions and Bylaws, which can be found in the documents section of our website, [www.twinshorespoa.com](http://www.twinshorespoa.com). Please visit the site when you have a moment.

- **I understand that any renovations to the outside of my home or property must be approved by the Twin Shores Architectural Control Committee.**
