Please include a brief bio below which details your qualifications and reasons for wanting to serve:

I was introduced to the Twin Shores neighborhood by residents Jim and Karla Remmert. My wife Janet and I purchased our property in 2014 and moved in permanently in 2020. We love the neighborhood and have enjoyed getting to know so many people. I know past Boards have put in hard work to make this a good place and I want give back to the community by volunteering my time to help keep it a great place - doing what I can to keep market values up and growing the community spirit.

I served on the Twin Shores POA Board from 2022-2024, so I am familiar with how the POA works. We made some significant improvements to the neighborhood during that time. I learned to show grace and understanding to my neighbors while also acting in the best interest of the entire neighborhood. To involve the community, we had a time where we asked for suggestions from all owners for improvements we could make to see if there was a consensus for an improvement or if there was something we could easily accomplish.

I am retired so I do have time to put into this role of being a Board member. Prior to retiring I was a consultant for 30+ years and frequently worked with my clients' Board of Directors so I am familiar with how they work.

I would appreciate the opportunity to work with the POA Board again.
